✦ BIRTHDAYS: Please be aware that whilst you are welcome to bring a cake we do charge a £1.50 / head fee for anyone eating cake on site. Alternatively, we do offer a birthday package for £5.00. This includes a themed table with banners and the choice of one of our regular desserts for the person celebrating their birthday. The dessert is delivered with a sparkler. Please ensure that either of these options are stated at the point of booking your table

We will always do our best to accommodate your party, however our policies are in place due to our team size and restaurant space so please be respectful of our terms and conditions. Huge thanks!
